Encl. nil

Dated, Bangalore, 12th April 1943.

From

Mothamed-Ul-Mulk
Gulam Mohiyuddin Mehkri, Esq., B.A., LL.B.,
Revenue Commissioner in Mysore,
Bangalore.

To

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

Subject:- Re: acquisition of lands for the Aerodrome between Yelahanka and Hunsamaranahalli - villages.

Sir,

In inviting kind reference to Government Order No. W.3439-40 dated 12th February 1943 regarding the above appointing the Sub Division Officer, Dodballapur, to perform the functions of a Deputy Commissioner under the Land Acquisition Act and authorising him to take order for the said properties, I have the honour to forward herewith a copy of letter No. A3.3923/42-43 dated 31-3-1943 together with a copy of its enclosure received from the Deputy Commissioner, Bangalore District, and to state that the Deputy Commissioner reports that the Sub Division Officer, - Dodballapur, has to take up inspection of Offices during April, May and June 1943 and has got very heavy work and that he will have hardly any time to see to the speedy disposal of acquisition cases for the Aerodrome in question.

In the circumstances the Deputy Commissioner requests that - sanction of Government may kindly be obtained to the transfer of the - cases referred to above to the Special Land Acquisition Officer, Bangalore, and that he may be invested with the powers of a Deputy Commissioner under the Land Acquisition Act to take order for acquisition of lands in question in lieu of the Sub Division Officer, Dodballapur, as already ordered in the Government Order referred to above.

P.T.O.

I agree with the Deputy Commissioner and request that orders of Government may be kindly obtained accordingly. The Notifications issued in this behalf may also be kindly caused to be modified to this extent.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner.
and Civil Representative

K.V.

Letter No. A3.3923/42-43 dated 31st March 1943 from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore, Bangalore.

Subject:- Acquisition of lands for the Aerodrome between Yelahanka and Hunsamaranhalli villages.

In inviting kind reference to G.O. No. W.3439/40 dated 12-2-1943, according sanction to the acquisition of lands in Hunsamaranahalli and other villages, Devanahalli Taluk, required for the construction of an Aerodrome between Yelahanka and Hunsamaranahalli villages, I have the honour to state that the Sub Division Officer, Dodballapur, reports that he has to take up the inspection of offices during April, May and June 1943, and that the usual and urgent items of work that have to be finished before the end of the official year 1942-43 hardly give him any time to see to the speedy acquisition of the lands for the Aerodrom in question, especially in view of the fact that it is of an urgent nature.

2. In the circumstances I request that sanction of Government may kindly be obtained to the transfer of the case referred to above to the Special Land Acquisition Officer, Bangalore, and that he may be invested with the powers of a Deputy Commissioner under the Land Acquisition Act and take orders for the acquisition of the lands in question in lieu of the Sub Division Officer, Dodballapur, as already ordered in the Government Order referred to above. The notification issued in this behalf may also be kindly caused to be modified to this extent.

3. The letter No. Al.P.R.198/42-43 dated 26th March 1943 received from the Sub Division Officer, Dodballapur, accompanies for favour of reference.

Letter No. Al.P.R.198/42-43 dated 26th March 1943 from the Sub Division Officer, Dodballapur, Bangalore, to the Deputy Commissioner, Bangalore District.

Subject:- Acquisition of lands in Hunsemarnahalli, Suggalli, Sonnappanahalli, Nellukunte and Bettahalsur villages of Devanahalli Taluk, required for the construction of Aerodrome between Yelahanka and Hunsamarnahalli village.

I have the honour to state that Government in their order No. W.3439-40 dated 12th February 1943 have sanctioned the acquisition of the properties for the above purpose and a copy of notification No. 3442-W. dated 12th March 1943 received recently in this behalf is also enclosed for kind perusal. It will be seen from the notification that the lands required for acquisition purposes are dry, wet and bagayet in 67 items. My predecessor Mr. B.T. Kempanna had made a reference to the District Office in this office No. Al.P.R. 198/42-43 dated 7th December 1942, stating that the Sub Division Officer, Bangalore, was dealing with these records as he is also the Civil Officer and as he has also paid the compensation amounts for the damage or loss of crops in Devanahalli Taluk and therefore had sought instructions as to whether the acquisition proceedings in respect of lands to be acquired in Hunsamaranahalli and Suggatta villages, etc., in Devanahalli Taluk, for Aerodrome purposes might be dealt with by this office or the Civil Officer. When that latter officer was consulted in the matter in M4.3604 dated 13th February 1943, he has also made a reference to the District Office in his No. Al.95/41-42 dated 1st March 1943 stating that the Special Land Acquisition Officer appointed for the purpose might be requested to take orders for the acquisition of these properties. No orders are yet received in this matter for the transfer of this case to the Special Land Acquisition Officer, Bangalore, appointed for the purpos

P.T.O.

Along with this case, there is another case of acquisition relating to the properties of Mr. L. Krishna Rao Balakai, Jodidar of Nellukunte, Devanahalli Taluk, who has petitioned to the - Revenue Commissioner and Civil Officer, Bangalore, on 10-11-1942 stating that he is the owner and jodidar of Nellukunte village, Jala Hobli, Devanahalli Taluk and that Military authorities have acquired some portions of his village for the construction of - Aerodrome at Hunsamarnahalli area boundary to the west of his Jodi village and that they have also caused damages to his village - lands and he has therefore sustained heavy loss, etc., etc., The Amildar, Devanahalli who has made enquiries in this matter has also reported in his No. L.A.C.2/42-43 dated 20-2-1943 stating that the lands have been occupied by the Aerodrome authorities in addition to those proposed for acquisition for the construction of blast pans, ammunition dumps and for taking earth for pens, etc. Hence separate acquisition proceedings have also to be taken in this case for payment of compensation to the party concerned. As there is hardly sufficient time to take up these cases for enquiries and disposal on account of other urgent works such as Income-Tax cases, other acquisition cases, appeals, intensive inspection and inspection of offices in April, May, June 1943 in the Sub Division which are held up and as a special officer for Land Acquisition purposes has been appointed for the District to deal with urgent and unusual cases of the kind, I request that as already stated by the Sub Division Officer and Civil Officer, Bangalore, these two cases may kindly be transferred to the Special Land Acquisition Officer. Very early orders solicited in the matter.
